WHO WE ARE

ERPNAS is an international consulting and integration firm delivering ERP systems with real operational impact.

We help companies streamline processes, integrate systems, and make smarter, data-driven decisions with Odoo — focusing on practical, scalable solutions for manufacturing, trading, and services.

We are a sister company of Majorbird, a silver partner in Asia. Bringing 10 years of experience.

WHY CHOOSE US

PROVEN SUCCESS

Over 60+ successful Odoo projects across manufacturing, trading, and services.

LOCAL & GLOBAL REACH

On-site support in GULF, Syria — plus experience working with overseas companies.

COMPETITIVE ADVANTAGE

Expertise at cost-effective rates, without compromising on quality.

CONNECTOR SPECIALISTS

Deep experience integrating Odoo with e-commerce, logistics, manufacturing, and finance platforms.

STANDARD EXPERTS

We prioritize standard features and proven best practices, customizing only when it truly adds value to your business.

HOW WE WORK

PRACTICAL APPROACH

We focus on what matters, avoid overengineering, and keep systems maintainable.

LISTEN & ANALYZE, THEN PLAN

We start with in-depth workshops to understand your business and align your company structure, master data, and project goals.

A REAL PARTNERSHIP

We bring expertise and strategic insight throughout the integration — and beyond. Our partnership doesn't stop at go-live: we stay engaged to ensure long-term success and continuous growth with Odoo.
